Gainful Employment Disclosures – 2022

Program Name *Massage Therapy - 500 Clock Hours*

This program is designed to be completed in 21 Weeks Full-Time.

This is a California Massage Therapy Council Certification Approved Program. This is a Nationally Accredited Program.

This program cost \$8,805.54 when completed within the normal published time. There may be additional costs for living expenses. These costs were accurate at the time of enrollment in 2022 but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with \$0 of debt. *{The median cumulative amount of debt for all Title IV students including private, institutional, and Federal student debt for students who received Title IV aid at any point for attendance in the program.}*

Our institution is required to provide information about whether this program meets licensure requirements for any states in the metropolitan statistical area (MSA) in which the institution is located. Please verify if your California program and/or license satisfy all educational prerequisites to qualify a student for licensure in any other states.

- 1) **Program meets licensure requirements in the following States: To be verified at accurate time.**
- 2) **Program qualifies students to sit for licensure exam in the following States: California**

This institution had more than 10 students for this program report. This number and names are withheld to preserve the confidentiality of the students.

Disclosures:

This program has passed standards established by the U.S. Department of Education as of 7/1/2024. The Department based these standards on the amounts students borrow for enrollment in this program and their reported earnings. If in the future the program does not pass the standards, students who are then enrolled may not be able to use federal student grants or loans to pay for the program, and may have to find other ways, such as private loans, to pay for the program.
